your every-day. The new Mercedes-Maybach S-Class.

The pinnacle of sophistication.
The new Mercedes-Maybach S-Class.

Introducing the all-new Mercedes-Maybach S600. Unprecedented exclusivity. Unlimited luxury. Put simply, there's nothing quite like it.

Every detail is considered. Every appointment, exceptional. The interior is a full eight inches longer than the standard S-Class, allowing for a generous amount of legroom and unparalleled comfort. Rich, hand-stitched Nappa leather envelopes every surface, from the reclining seats and adjustable leg rests to the console and doors. Look skyward and take in the view through the panoramic roof with optional MAGIC SKY CONTROL that lets you darken the glass whenever you wish. Curate your Maybach experience further with multizone ambient lighting and the AIR-BALANCE package featuring the exclusive AGARWOOD fragrance.

All of this, wrapped up in an effortless 523 horsepower, 6.0L V12 biturbo engine that's up for absolutely anything.

Now, sit back. Relax and toast to the best decision you ever made with the optional silver-plated champagne glasses. *(Just another perk of perfection.)*

The Mercedes-Maybach S-Class. It's luxury at its best. You deserve nothing less.
