Tire Valve Stem Caps

A perfect finishing touch, these chrome plated valve-stem caps dress-up any wheel. Each a set of four. Available in black, silver or AMG designs.

Wheel Locks

Wheel locks can provide a subtle yet effective security touch to your R-Class, helping to protect your light-alloy wheels and tires from theft. One set secures four wheels. Includes coded key.

APPEARANCE

Roof Spoiler

Extends the roofline of your R-Class enhancing its sporty appearance by giving the rear window a more compact, coupe-style look. Tailor-made of high-quality material for quick installation and a perfect fit. Comes primed, ready for painting.

Wood & Leather Steering Wheel

Add a touch of distinctive elegance to your R-Class with this steering wheel, made from durable richly grained leather and hand-burnish burl walnut wood. Available in burl walnut with black, beige or grey leather.

Trunk Handle

Made of stainless steel in polished or satin finish, this handle attaches to the license plate and trunk lid to help prevent fingerprints and reduce the possibility of scratching the finish on your R-Class. It perfectly complements our wide assortment of genuine License Plate Frames. Also available with elegantly laser-etched Mercedes-Benz name.

License Plate Frames

Choose from several quality stainless steel designs in an assortment of durable finishes to enhance the appearance of your license plates without blocking registration tags. Design styles include: Mercedes-Benz frame, Slimline frame, AMG Logo frame, and Star Marque solid plate. Please see INDEX for finish options for each design.

MERCEDES-BENZ NAVIGATION MAP UPDATE

More than a Map.™

Navigation Map Update

The Mercedes-Benz COMAND Navigation System¹ is a fully integrated system that combines Global Positioning System (GPS) technology with electronic mapping software to help you to plan trips, navigate detours and avoid getting lost. Global Positioning System (GPS) satellites continuously track your vehicle's location and the system relies on mapping information in order to give you the most accurate and efficient routes.

Notice however, how quickly the surroundings change: roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the navigation data the system relies on changes every year. That is why Mercedes-Benz offers reliable, and updated navigation data to help get you where you need to go effortlessly. The Navigation Map Updates are available for purchase from your authorized Mercedes-Benz dealer.

The system can route you through more than 6.1 million miles of navigable roads in the United States and Canada. Just enter the address on the intelligent destination input screen, and the system takes over, guiding you audibly and with a clear and detailed 7" LCD map display. Do you need an idea where to go? The Navigation System also offers 1.7 million Points of Interest in 40 categories including ATMs, restaurants, hotels, airports, museums and more.

¹ Navigation system data includes the United States, Canada, Puerto Rico, Hawaii and Virgin Islands. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place. See your authorized Mercedes-Benz dealer for availability and details.

REAR-SEAT ENTERTAINMENT SYSTEM²

This high-performance entertainment system allows the rear passengers to watch DVDs, look at their favorite pictures and even play video games. Two superb 7" LCD color screens are mounted to the back of the seat just behind the headrest to eliminate driver distraction, function independently with integrated DVD players providing the ability to play 2 different movies or music choices simultaneously, allowing each rear passenger to select their own individual entertainment. Wireless noise-reducing headphones allow for tangle-free operation, easy storage and fewer noise distractions for the driver. A wide range of popular media formats are supported for image, music and video files. The USB and SD card interfaces allow further storage media to be connected with the Rear-Seat Entertainment System.

ENTERTAINMENT
& COMMUNICATION

MEDIA INTEGRATION

Your music. Your Mercedes-Benz.

Taking your personal music collection with you wherever you go has never been easier. Mercedes-Benz now offers seamless integration of your iPod®/iPhone^{®3} into the audio system of your R-Class. With an interface that is compatible with any dock-connector-equipped iPod/iPhone device, your iPod/iPhone charges while connected³. Steering wheel controls and a visual display of the track information make your iPod/iPhone a perfect fit with your Mercedes-Benz.

Mercedes-Benz iPod Integration Kit⁵

The Mercedes-Benz iPod Integration Kit puts the control at your finger-tips while playing your favorite music directly from your iPod or iPhone³. As with the Media Interface, the iPod integration connector is located in the glove compartment, and is compatible with most iPod models.

Comfortably control your iPod by using your steering wheel buttons:

- A | *Navigate within the iPod music menu*
- B | *Access the Main Menu and control the volume*
- C | *View the artist and title information displayed in the vehicle's instrument cluster*

Media Interface (Consumer Cables)

The Media Interface⁶ allows you to connect your audio devices to the interface located in the vehicle's glovebox. The Media Interface comes standard with two cables, an iPod connector [1] and a universal AUX input connector⁴. A non iPod USB cable [2] is available at your Mercedes-Benz dealer, which will connect select⁷ USB sticks or media players with a USB port.

The audio output can be selected and controlled through the existing audio system in your vehicle. The current status of your audio device will also be displayed in the vehicle instrument cluster allowing you to keep your attention on the road.

SD Memory Card⁸

The COMAND APS in your R-Class features a slot for SD memory cards. Use the SD memory card as a convenient way to play music. Available with COMAND only.

iPod Cradle⁹

This black felt-lined cradle holds your iPod or iPhone in the glove compartment. The soft flocked surface blends perfectly into the glove compartment of your R-Class and helps to protect your music player from scratches and damage.

³ iPod and iPhone are registered products of Apple Computer. All iPod and iPhone devices are sold separately. iPod Integration Kit also charges iPod/iPhone devices which support USB charging only (e.g. iPhone 3G).

⁴ Control of devices connected via AUX is limited to volume control.

⁵ Not compatible with Factory Option 518 (Media Interface). The iPod Integration Kit is available with the following iPod/iPhone devices (sold separately): iPod Generation 4 (20 GB, 40 GB, 60 GB), 5 and 6, iPod photo, iPod U2 Generation 5, iPod nano Generation 3, 4 and 5, iPhone Generation 1, 3G and 3GS, iPod mini Generation 1 and 2, iPod Touch Generation 1 and 2. The iPod Integration Kit does not support telephone functionality of the iPhone.

⁶ Factory option.

⁷ For a list of compatible devices, please visit <http://www.mbusa-mobile.com>

⁸ Capacity: 2 GB | Read speed: 12.5 MB/s | Write speed: 5.5 MB/s

⁹ Compatible with dock connector-equipped iPod/iPhone devices with exception of the iPod Shuffle.

DUO Plus Toddler Seat (20–40 lbs.)

Designed to afford excellent protection for children approximately 1 to 4 years of age. Features include single-handed adjustment to change from the upright position to the reclined and sleeping positions, height-adjustable shoulder belt, back area ventilation channels, and an additional tether for securing the top section. Fabric cover is removable for washing. This seat is LATCH¹⁰ and BabySmart¹⁰ compatible.

BabySafe Plus Infant Seat (up to 29 lbs.)

Deep, molded rear-facing seat design provides extra protection and padding designed to help protect very young children up to 29 lbs. or 31 in. long. Features integrated head support, adjustable sun/wind canopy, comfortable 3-position carry handle, and variable recline angle adjustment. Light grey fabric cover is removable for washing. Can be used in the vehicle with or without the base. Approved for use in commercial aircraft. Weighs less than 8 lbs. This seat is BabySmart¹⁰ compatible and LATCH⁹ compatible with provided LATCH belt¹⁰.

¹⁰ Please consult your owner's manual or dealer for proper installation of your child seat.

BabySmart/OCS Safety Information: Most Mercedes-Benz vehicles from MY 1998 through 2003, select models from 2004 through 2006, and current G-Class vehicles are equipped with BabySmart™. Mercedes-Benz vehicles equipped with BabySmart™ have a device that recognizes the presence of BabySmart™-equipped child seat when properly installed in the front passenger seat and deactivates the passenger front air bag (check your vehicle's Operator's Manual or labels located on the sides of your dashboard to verify).

All current Mercedes-Benz models are equipped with the Occupant Classification System (OCS) (with exception of the G-Class) which is designed to turn off the front passenger's front airbag when the system senses the weight of a typical child 12 months old or less plus the weight of a standard child restraint. See vehicle's operators manual for important additional information on this system and further information regarding the transportation of children heavier than a typical 12 month old.

All Mercedes-Benz child safety seats meet or exceed U.S. Department of Transportation standards. They are also suitable for use in older vehicles that do not have integrated LATCH (Lower Anchors and Tethers for Children) attachment points. Visit the National Highway Traffic Safety Administration's website at <http://www.NHTSA.gov> for additional information about child safety seat laws and proper use.
