Exterior Dimensions

Overall length	178.2 in
Overall height	66.9 in
Overall Width (mirrors extended)	79.4 in

Wheelbase	108.5 in
Coefficient of drag	0.35 cd
Curb weight	4,079 lbs (4MATIC) 3,979 lbs (2WD)

Interior Dimensions

Front	
Headroom	39.0 in (with panorama sunroof)
Shoulder room	55.2 in
Legroom	41.4 in

Rear	
Headroom	39.7 in (with panorama sunroof)
Legroom	35.1 in
Shoulder room	55.4 in
Cargo volume (all seats up)	23.3 cu ft
Cargo volume, (2nd row down)	54.7 cu. ft

Engine, Drivetrain, and Performance

Engine	
Net power	268 hp @ 6,000 rpm
Fuel and ignition system	Integrated sequential multipoint fuel injection and ignition includes individual cylinder control of fuel spray, spark timing, and antiknock. Electronic throttle. Two high-energy ignition coils and two spark plugs per cylinder. 100,000-mile spark-plug intervals
Fuel tank capacity	17.4 gal
Net torque	258 lb-ft @ 2,400-5,000 rpm
Compression ratio	10.7:1
Construction	3,498-cc 24-valve V-6
Fuel requirement	Premium unleaded gasoline

Drivetrain	
Automatic transmission	<ul style="list-style-type: none"> 7-speed Driver-adaptive programming adjusts shift points to the driver's current driving style.
Hill-start Assist	<ul style="list-style-type: none"> Helps prevent unwanted vehicle rollback when taking off from a stop on an incline Automatically maintains brake pressure for approximately one second after the driver releases the brake pedal System is automatically deactivated when the vehicle is level, the gear selector is in park or neutral, or the parking brake is set
Drive configuration	2-wheel drive (rear wheel drive) or 4MATIC (4-wheel drive)
Front and rear axle ratios	3.46:1

Performance	
Acceleration	0 - 60 in 6.5 sec (est.) (3)

Fuel economy	
City estimate	16 mpg
Towing capacity	3,500 lbs. (1)
Highway estimate	22 mpg (4MATIC 21 mpg)
Emission certification	TBA

Chassis and Traction Control/Stability Systems

Chassis	
Front Suspension	3-link McPherson struts with two-piece lower control arm
Steering-wheel turns	2.8 turns lock-to-lock
Turning radius	37.7 ft.curb-to-curb.
Rear Suspension	Independent multilink
Steering	Rack-and-pinion, speed-sensitive hydraulic power assist with variable centering

Traction Control & Stability	
Electronic Stability Program (ESP®)	ESP® compares the driver's intended course, via steering and braking inputs, to the vehicle's response, via lateral acceleration, rotation (yaw) and individual wheel speeds. ESP then brakes individual front or rear wheels and/or reduces excess engine power as needed to help correct understeer (plowing) or oversteer (fishtailing). ESP also integrates all-speed traction control, which senses drive-wheel slip under acceleration and individually brakes the slipping wheel or wheels, and/or reduces excess engine power, until control is regained. (4)

Brakes, Wheels, and Tires

Brakes	
Brakes	Dual-circuit hydraulic braking system
Antilock Braking System (ABS)	Antilock braking system (ABS) senses impending wheel lockup under heavy braking and pumps the front brakes individually or the rear brakes together (to help maintain stability) as needed up to 30 times per second, to prevent lockup and maintain steering ability. (5) With off-road driving program selected, automatic loose surface program helps shorten stopping distances from speeds under 18 mph.
Brake Assist (BAS)	Brake Assist (BAS) senses emergency braking via the speed at which the driver presses the brake pedal and immediately applies maximum available power boost, potentially reducing the overall stopping distance by eliminating the delay caused by a common human tendency not to brake hard enough, soon enough. Letting up on the brake pedal releases Brake Assist. (5)

Wheels/Tires	
Wheels	19-inch 10-spoke light alloy wheels or optional 20-inch 7-spoke alloy wheels
Tires	235/50 R19 (all season H)

Exterior and Interior Features

Exterior Features	
19" aluminum wheels with all-season tires	
Chrome accents	
Dual chrome exhaust	
Privacy glass	
Adaptive brakes	
7-speed automatic transmission	
Panorama Sunroof (Available with Premium 1 Package)	
Electrically heated rear window with auto-shutoff	
Instrumentation	
Tire-pressure monitoring system	
Multifunction display in instrument cluster	

Interior Features	
Dual-zone automatic climate control	
Flat-folding seats	
Antitheft alarm system	
9-air bag system (7)	
NECK-PRO Active Front Head Restraints	
Central Controller with 5" display	
Bluetooth® connectivity for hands-free calling (6)	
Multifunction steering wheel	

Safety and Security Systems

Restraint Systems	
Active Front Head Restraints	
9 air bags	
Emergency Tensioning Devices (ETDs)	Provided for all four seat belts and are deployed in a front or rear impact exceeding a preset threshold of severity, or certain rollovers. A front ETD will not deploy if seat belt is unfastened

Locking & Security	
SmartKey	<ul style="list-style-type: none"> SmartKey remote control integrates Remote Door Lock/Unlock buttons, power liftgate, removable valet key and panic alarm. Driver may selectively unlock only the driver's door and fuel filler, or all doors plus the power liftgate and fuel filler Offers infrared-remote opening/closing of windows and panorama roof
Mercedes-Benz mbrace (8)	

Comfort and Convenience Features

Seating & Trim	
8-way power driver and passenger seat	
Standard Burl Walnut wood trim	
Optional Brushed Aluminum Trim	
MB-TEX front and rear upholstery	

Audio, Navigation, and Communication	
Bluetooth® interface for hands-free calling (6)	
Central controller with 5-inch color display	
Optional COMAND system with hard-drive navigation and SIRIUS real-time traffic	
6-disc CD changer (Special request option)	Available/harman/kardon LOGIC7®surround-sound system or iPod Integration Kit

Options & Packages

Individual Options	
Individual Options	<ul style="list-style-type: none"> iPod integraton kit (in glovebox) NAV + 4 UMI PARKTRONIC Mercedes-Benz mbrace™ Panorama sunroof iPod/mp3 media interface COMAND system with hard-drive navigation SIRIUS® satellite radio Trailer hitch - 3,500 lbs.
