Service description:

Message Center is a feature on the mbrace Mobile Application that allows customers to receive important vehicle-related messages on their smartphones, allowing them to remain in the loop on important advisories or activities. Customers have the choice of opting in or out of receiving these messages.

How it works:

- STEP 1:** Launch the mbrace Mobile Application and log in.
- STEP 2:** Select the MORE tab.
- STEP 3:** Select the ENVELOPE icon in the lower right corner of the screen.
- STEP 4:** The Message Center screen appears, displaying the title of the message and its first few words.
- STEP 5:** Tap the icon to read the entire message.
- STEP 6:** To delete the message, simply swipe the screen to access the DELETE button.
