My road ahead. My Service.

Mercedes-Benz

Unsurpassed service and value for miles to come.

Mercedes-Benz Star Service Prepaid Maintenance allows you to “lock in” the costs of wiper blade replacement and required maintenance services. The plan may be purchased at any time prior to your first service visit and can be as little as \$7 a month. In addition, if you require service when you’re on the road, or if you relocate, your plan will be honored at any authorized Mercedes-Benz dealership (U.S. and Puerto Rico). It also offers a variety of benefits:

- Up to 30% savings versus purchasing maintenance as you go*
- Potential increase in resale value
- Greater convenience having paid for maintenance in advance
- Mercedes-Benz trained technicians using Genuine Mercedes-Benz Parts

Options that work for you.

To make things easier, there are 3 payment options available with the Mercedes-Benz Star Service Prepaid Maintenance plan. You can:

- Prepay upfront and in full
- Make monthly installments
- Build the cost into your monthly vehicle payment (when purchased at the same time as your vehicle)

Coverage is available from 2 years or 20,000 miles to 5 years or 50,000 miles, in intervals of 1 year/10,000 miles.*

*Savings may vary by dealer and model. Additional maintenance may be required according to your driving habits, mileage and local environment.
