Mercedes-Benz
STAR ACCESSSM

¹ Fleet incentives available only for qualified customers on certain Mercedes-Benz models. Not all engine variants are eligible for Fleet incentives. Please confirm with dealership if chosen vehicle is eligible for Fleet incentives at the time of purchase. Incentive must be used at time of purchase/lease. Incentives vary based on vehicle model and purchase method as indicated. Control numbers are only valid for 60 days, or the end of the current calendar year (whichever occurs first). MBUSA can't generate or reactivate control numbers, so members need to be sure they are ready to purchase and take delivery. All current program rules remain in effect and as stated in the program rules, specifically: MBUSA has the right to grant or deny a Control Number. If granted, the control number is not assignable and only the member (and their co-buyer or co-lessee) is authorized to use the control number. Control numbers are a benefit to the member and the member must be listed as the buyer/co-buyer or lessee/co-lessee and listed as a registered owner of the vehicle. Star AccessSM incentives cannot be used in conjunction with Diplomat, European Delivery, Special Demos, Certificate Programs, Mercedes-Benz Incentive Bonus Cash and other Fleet programs, or non-U.S. specification vehicles. Incentive amounts are subject to change on a monthly basis and should be confirmed with your dealer at the time of transaction. Amount of actual savings may vary depending on model selected and purchase method. Offer expires August 31, 2026.

² Available only to qualified customers through Mercedes-Benz Financial Services at participating dealers through June 30, 2026. Not everyone will qualify. Advertised 24 months lease payment based on MSRP of \$50,900 less the suggested dealer contribution of \$3,460 resulting in a total gross capitalized cost of \$47,440. Dealer sets the final price and Dealer's contribution may vary and could affect your actual lease payment. Includes Destination Charge. Excludes title, taxes, registration, license fees, insurance, dealer prep and additional options. Total monthly payments equal \$11,976. Amount due at signing includes \$3,839 capitalized cost reduction, \$795 acquisition fee and first month's lease payment of \$499. Your acquisition fee may vary by dealership. The acquisition fee charged by the dealer may affect the total amount due at signing. No security deposit required. Total payments equal \$16,610. At lease end, lessee pays for any amounts due under the lease, any official fees and taxes related to the scheduled termination, excess wear and use plus \$0.25/mile over 20,000 miles, and vehicle turn-in fee. Purchase option at lease end for \$34,103 plus taxes (and any other fees and charges due under the applicable lease agreement) in example shown. Subject to credit approval. Specific vehicles are subject to availability and may have to be ordered. See participating dealer for details. Not valid in Puerto Rico. Please always wear your seat belt, drive safely and obey speed limits. Excludes 4MATIC Models.

³ Lower-aspect-ratio tires and accompanying wheels may provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions. Not available on GLC 350e. See Operator's Manual for details.

⁴ System may not be sufficient to avoid an accident. It cannot always recognize or predict the presence or every movement of vehicles and pedestrians in your path. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. See Operator's Manual for system operating speeds and additional information and warnings.

⁵ The Mercedes-Benz app is compatible with Apple iPhone®, Apple Watch®, and Android-based phones. Not all phone operating systems are supported, and software updates may be required. Benefits require an active subscription to Mercedes me connect. System may not be activated in certain situations, and can only provide alerts and visual recording within the cameras' field of view. System cannot guarantee the security of the vehicle or its contents, nor prevent theft, vandalism or accidents. See your Operator's Manual for more information.

⁶ MSRP based on 2026 models. MSRP excludes destination and delivery charges, all options, taxes, title, registration, transportation charge and dealer prep fee. Actual prices may vary by dealer.

Please note that these incentives can be combined with most, but not all, retail programs offered at the time of the transaction. See dealer for details.
