The Mercedes-Benz Livery Fleet Program is the new gold standard for black car service. Looking for a diverse range of luxury sedans with advanced tech, industry-leading safety and customized livery services? Then this program is for you. And when it comes to long-term savings, Mercedes-Benz delivers. With low fuel costs, fewer maintenance costs and great resale value, our sedans boast a highly competitive total cost of ownership.

E-Class is a first-class livery sedan.

- Ample leg room for maximum passenger comfort
- Luxury Styling Package with luxury black interior, exterior and Black Ash Wood
- The turbo E 350 squeezes more power out of less fuel
- More standard advanced safety technology than ever
- Smartphone integration
- Dual-zone automatic climate control
- 64-color interior ambient lighting

S-Class is the ultimate symbol of livery prestige.

The flagship of the Mercedes-Benz fleet.

- Biturbo power raises efficiency, and your pulse
- Exclusive Black Nappa Leather
- Executive Rear Seat Package
- 4-zone Climate Control

GLS is the new pinnacle of livery capability.

GLS sets the bar for 7-passenger luxury SUVs.

- Three rows of luxury with Captain's Chairs now available at no cost
- Heated power front seats. Reclining second row, power-folding third row with adult-sized comfort
- Equipped with the new MBUX infotainment system, it's quite possibly the most capable, natural and intuitive speech interface from any automaker
