STAR ACCESSSM

¹ Fleet incentives available only for qualified customers on certain Mercedes-Benz models. Not all engine variants are eligible for Fleet incentives. Please confirm with dealership if chosen vehicle is eligible for Fleet incentives at the time of purchase. Incentive must be used at time of purchase/lease. Incentives vary based on vehicle model and purchase method as indicated. Control numbers are only valid for 60 days, or the end of the current calendar year (whichever occurs first). MBUSA can't generate or reactivate control numbers, so members need to be sure they are ready to purchase and take delivery. All current program rules remain in effect and as stated in the program rules, specifically: MBUSA has the right to grant or deny a Control Number. If granted, the control number is not assignable and only the member (and their co-buyer or co-lessee) is authorized to use the control number. Control numbers are a benefit to the member and the member must be listed as the buyer/co-buyer or lessee/co-lessee and listed as a registered owner of the vehicle. Star AccessSM incentives cannot be used in conjunction with Diplomat, European Delivery, Special Demos, Certificate Programs, Mercedes-Benz Incentive Bonus Cash and other Fleet programs, or non-U.S. specification vehicles. Incentive amounts are subject to change on a monthly basis and should be confirmed with your dealer at the time of transaction. Amount of actual savings may vary depending on model selected and purchase method. Offer expires September 2, 2025.

² MSRP based on 2025 models. Suggested starting MSRP excludes all options, taxes, title, registration, transportation charge and dealer prep fee. Actual prices may vary by dealer.

Please note that these incentives can be combined with most, but not all, retail programs offered at the time of the transaction.
