Mercedes-Benz Certified Pre-Owned Extended Limited Warranty

Great coverage continues.

Mercedes-Benz Financial Services

Peace of mind.

Every Mercedes-Benz Certified Pre-Owned (MBCPO) vehicle is covered by the MBCPO Limited Warranty[1], which runs for 1 Year with Unlimited Mileage[2], and any remainder of the vehicle's original 4 Years/50,000 miles Mercedes-Benz New Vehicle Warranty. We know unforeseen bumps in the road can happen, which is why we also offer a Mercedes-Benz Certified Pre-Owned Extended Limited Warranty program to help cover you once your MBCPO Limited Warranty expires.

[1] For full details, including all limitations, ask your dealer for a copy of the Mercedes-Benz Certified Pre-Owned Limited Warranty and optional warranty extensions. Coverage does not duplicate Mercedes-Benz New Vehicle Limited Warranty.

[2] If this vehicle is still covered by the New Vehicle Warranty at the time of MBCPO purchase, this coverage continues from the vehicle's original in-service date and will apply until four years from the original New Vehicle Warranty start date or 50,000 total vehicle accumulated miles, whichever comes first. MBCPO Limited Warranty coverage will then apply for 12 additional months for unlimited miles. If the New Vehicle Warranty has expired prior to MBCPO purchase, MBCPO Limited Warranty coverage will apply for 12 months from MBCPO purchase.

Security.

The Mercedes-Benz Certified Pre-Owned Extended Limited Warranty offers affordable additional coverage for 1 Year/Unlimited Mileage or 2 Years/Unlimited Mileage, helping you get the most out of your MBCPO vehicle.

After your Mercedes-Benz Certified Pre-Owned Limited Warranty coverage expires, by time duration, the Extended Limited Warranty continues to cover[3]:

- Powertrain components
- Suspension
- Brakes (excluding normal wear of discs and pads)
- Steering
- Electrical systems
- Climate control
- Audio and navigation systems
- Central locking
- Convertible/retractable top systems (if applicable)
- Additional components

Plus, your Extended Limited Warranty includes the legendary support of the Mercedes-Benz Roadside Assistance program available to you at 1-800-FOR-MERCEDES (1-800-367-6372) with Sign and Drive service, providing a technician[4] to:

- Jump-start a dead battery
- Change a flat tire with your spare
- Re-inflate flat tire on vehicles equipped with Tirefit kit
- Bring fuel for an empty tank

[3] See your dealer for a copy of the MBCPO Extended Limited Warranty, which contains a full listing of covered parts and systems and exclusions.

[4] Vehicle must be accessible from main roads. Roadside Assistance repairs may involve charges for service and parts. For models factory equipped with no spare tire, Roadside Assistance will attempt to re-inflate a flat tire after using the vehicle's Tirefit puncture sealant. For full details of Sign and Drive services as well as the Roadside Assistance Program, please see your dealer.
