THIS SERVICE AND WARRANTY INFORMATION BOOKLET CONTAINS AN INDIVIDUAL ARBITRATION AGREEMENT AND CLASS ACTION WAIVER (“THIS AGREEMENT”). BY AGREEING TO THIS AGREEMENT, YOU EXPRESSLY ACKNOWLEDGE THAT YOU HAVE READ, CAREFULLY CONSIDERED, AND UNDERSTAND ALL OF THE PROVISIONS OF THIS, AND THAT YOU EXPRESSLY AGREE TO BE BOUND THEREBY.

Individual Arbitration Agreement and Class Action Waiver

Please carefully read this Agreement, as it affects your rights and applies to disputes between you and Mercedes-Benz USA, LLC, including third party beneficiaries such as its owners, members, managers, directors, officers, parent companies, predecessors, successors, manufacturers, suppliers, distributors, affiliated dealerships, subsidiaries and their employees (together "MBUSA"). In arbitration, there is generally less discovery and appellate review than in court and there is no jury.

This Agreement requires arbitration of any disputes between you and MBUSA (together the "Parties") including, without limitation, claims and disputes related to or arising

out of your vehicle purchase, use, or ownership except those solely for personal-injury claims manifested by physical injury and wrongful-death claims, which are excluded from this Agreement. These include, without limitation, disputes arising out of your warranty, and claims arising before you entered into this Agreement, such as claims related to statements about your vehicle. This Agreement does not preclude using the dispute resolution program described in your vehicle's Service and Warranty Information booklet.

At least 30 days before you commence arbitration, you must send to MBUSA a Notice of Dispute ("Notice") that includes: your Vehicle Identification Number, a copy of your

vehicle sales or lease contract(s); insurance information (if your vehicle is damaged); a copy of any repair orders; a description of your concern; and your proposed resolution. The Notice must be signed by you and sent by certified mail to: Mercedes-Benz USA, LLC, Customer Care Center, One Mercedes Drive, Sandy Springs, GA 30328. If you wish MBUSA to communicate with anyone other than you (such as an attorney), the Notice must include a statement signed by you identifying such person(s) and confirm their authority to resolve the dispute on your behalf. At least 30 days before MBUSA can commence arbitration, MBUSA is required to send you a signed Notice by certified mail. MBUSA's Notice must include the Vehicle Identification Number, a description of the concern that led to the Notice, and MBUSA's proposed resolution. MBUSA may also send Notice by certified mail to your representative or attorney if one has been identified by you.

If one party files a court action, the Parties agree that either party may immediately petition the Court to commence arbitration or otherwise initiate the arbitration process notwithstanding the procedure set forth in the preceding paragraph.

Any disputes subject to this Agreement will be decided by a single arbitrator administered by the American Arbitration Association ("AAA") (www.adr.org). The arbitration will adhere to AAA's Consumer Arbitration Rules (www.adr.org), including without limitation the AAA's Mass Arbitration Supplementary Rules. The Parties also agree that they may have valuable trade secrets and confidential information. The Parties agree to take all necessary steps to protect from public disclosure the Parties' trade secrets and confidential information in any proceeding pursuant to this Agreement.

In initiating arbitration, the initiating party will pay the filing fee directly to AAA. While MBUSA agrees to pay all subsequent AAA fees for the arbitration, you are responsible for your own attorney, expert, and other witness fees and costs, except where applicable law would entitle that party to recover such fees and costs if the dispute were litigated in court. If you pay the filing fee and prevail on any claim, we will reimburse you your filing fee.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES AGREE THAT EACH PARTY MAY ASSERT A CLAIM OR COUNTERCLAIM IN THAT PARTY'S INDIVIDUAL CAPACITY ONLY (NOT AS A CLASS OR REPRESENTATIVE ACTION) AND YOU EXPRESSLY WAIVE ANY RIGHT YOU MAY HAVE TO PROCEED IN ANY CLASS OR REPRESENTATIVE ACTION. IF A COURT OR ARBITRATOR DECIDES THAT ANY PART OF

THIS AGREEMENT CANNOT BE ENFORCED AS TO A PARTICULAR CLAIM FOR RELIEF OR REMEDY (SUCH AS INJUNCTIVE RELIEF), THEN, TO THE MAXIMUM EXTENT PERMITTED BY LAW, THAT CLAIM OR REMEDY (AND ONLY THAT CLAIM OR REMEDY) MUST BE BROUGHT IN COURT AND MUST BE STAYED PENDING ARBITRATION OF THE ARBITRABLE CLAIMS AND REMEDIES.

Disputes concerning the validity, application, scope, enforceability, or interpretation of this Agreement will be exclusively decided by the arbitrator. This Agreement and associated arbitration-related proceedings and conduct, including issues regarding discovery, waiver, estoppel, breach, default, or timing of arbitration-related payments—before, during, or after arbitration—will be governed by the Federal Arbitration Act, 9 U.S.C § 1 et seq., and federal common law, not by any state laws or procedures regarding arbitration.

The arbitrator at all times holds the exclusive authority to address challenges to this Agreement, including questions of waiver, estoppel, breach, default, or the timing of payments relating to arbitration, or the validity or scope of this Agreement.

If one party files a court action instead of arbitration, all proceedings will be stayed until resolution of any proceedings to compel arbitration, including appeals. The Parties retain the right to seek relief in a small claims court for disputes or claims within that court's jurisdiction.

If any provision of this Agreement is found to be invalid or unenforceable, such provision shall be severed, and the severed provision shall be reformed only to the extent necessary to make it enforceable. The balance of the Agreement will remain in full force and effect.

YOUR WARRANTY IS MADE SUBJECT TO THE TERMS OF THIS BINDING INDIVIDUAL ARBITRATION AGREEMENT AND CLASS ACTION WAIVER. BY USING THE VEHICLE, OR REQUESTING OR ACCEPTING BENEFITS UNDER THIS WARRANTY, INCLUDING HAVING ANY REPAIRS PERFORMED UNDER WARRANTY, YOU AGREE TO BE BOUND BY THESE TERMS.

You may opt out of the arbitration obligations of this Agreement within 30 days after the date of initial delivery of your vehicle to you by sending a letter to:

Mercedes-Benz USA, LLC
Customer Care Center
One Mercedes Drive
Sandy Springs, GA 30328

stating your name, Vehicle Identification Number, and intent to opt out of the arbitration obligations of this Agreement. If you do not opt out, then the arbitration obligations of this Agreement are binding. Opting out of the arbitration obligations of this Agreement has no effect on your or MBUSA's arbitration obligations arising out of any other agreement or contract.

EXCEPT FOR THE EMISSION SYSTEMS WARRANTIES, THIS IS THE ONLY WARRANTY GIVEN WITH THE PURCHASE OF A MERCEDES-BENZ VEHICLE. THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO THE FIRST TO OCCUR OF 48 MONTHS OR 50,000 MILES FROM THE DATE OF RETAIL DELIVERY OR INITIAL OPERATION AS AN AUTHORIZED MERCEDES-BENZ DEALERSHIP DEMONSTRATOR OR MERCEDES-BENZ USA, LLC OR MERCEDES-BENZ U.S. INTERNATIONAL, INC. OR MERCEDES-BENZ RESEARCH & DEVELOPMENT NORTH AMERICA, INC. COMPANY VEHICLE, WHICHEVER EVENT SHALL FIRST OCCUR. MERCEDES-BENZ AG, MERCEDES-BENZ USA, LLC, MERCEDES-BENZ U.S. INTERNATIONAL, INC, MERCEDES-BENZ RESEARCH & DEVELOPMENT NORTH AMERICA, INC. OR THE AUTHORIZED MERCEDES-BENZ DEALERSHIP NEITHER ASSUME NOR AUTHORIZE ANY PERSON TO ASSUME FOR THEM ANY OTHER LIABILITY IN CONNECTION WITH SUCH VEHICLE. NO PAYMENT OR OTHER COMPENSATION WILL BE MADE FOR INDIRECT OR CONSEQUENTIAL DAMAGE SUCH AS DAMAGE OR INJURY TO PERSON OR PROPERTY OR LOSS OF REVENUE WHICH MIGHT BE PAID, INCURRED OR SUSTAINED BY REASON OF THE FAILURE OF ANY PART OR ASSEMBLY WHICH MAY BE REPAIRED OR REPLACED IN ACCORDANCE WITH THE TERMS OF THIS WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

Important:

You must use the Dispute Settlement Program before asserting any rights or remedies created by the Magnuson-Moss Warranty Act, 15 U.S.C. § 2301, et seq. Additionally, you may also be required to use the Dispute Settlement Program before seeking rights and remedies under your state's Lemon Law provisions. If you choose to seek redress by pursuing rights and remedies not created by Title 1 of the Magnuson-Moss Warranty Act, prior resort through the Dispute Settlement Program is not required by any provision of the Magnuson-Moss Warranty Act. Please carefully read the Warranty Enforcement Laws (Lemon Laws) section (and, in particular, if it applies to you, the section titled, IMPORTANT NOTICE for California Retail Buyers and Lessees) of this booklet for more information about this program and applicable laws, which may affect your legal rights.

Items Which Are Covered:

DEFECTS: Mercedes-Benz USA, LLC (MBUSA) warrants to the original and each subsequent owner of a new Mercedes-Benz vehicle that any Authorized Mercedes-Benz Dealership will make any repairs or replacements necessary to correct defects in material or workmanship, but not design, arising during the warranty period.

ANY AUTHORIZED MERCEDES-BENZ DEALERSHIP: To make a warranty claim you must present your vehicle to an Authorized Mercedes-Benz Dealership so a diagnosis can be performed to determine whether it is necessary to correct a defect in material or workmanship. Any Authorized Mercedes-Benz Dealership of the owner's choice will perform warranty repairs or replacements. The ve-

hicle should be delivered to an Authorized Mercedes-Benz Dealership during normal service hours. A reasonable time should be allowed after taking the vehicle to an Authorized Mercedes-Benz Dealership for performance of the repair.

Occasionally, delays in repairs occur due to back-ordered parts and other circumstances outside MBUSA's control. Delays occurring for such circumstances will not be considered an unreasonable performance of the repairs.

WARRANTY STARTS: Except as otherwise required by applicable law, the warranty period starts on the date the vehicle is delivered to the first retail purchaser or lessee or put in service as an Authorized Mercedes-Benz Dealership demonstrator or MBUSA or Mercedes-Benz U.S. International, Inc. Warranty coverage will be adjusted to reflect the actual warranty period start date.

WARRANTY PERIOD: This warranty is for 48 months or 50,000 miles, whichever occurs first.

Not all components or adjustments carry a 48 month or 50,000 mile warranty. Warranty coverage for specific components or adjustments is based on the vehicle's time in service or mileage and should always be verified with your Authorized Mercedes-Benz Dealership prior to any repairs. Examples include, but are not limited to:

- Wheel alignment and balancing
- Brake pads
- Brake discs
- Glass
- Wiper blades and inserts
- Remote control key batteries

Should the tire become unserviceable for either of the above reasons, the tire will be replaced free of charge, including mounting and balancing, provided 1.6 mm of tread depth remains over the entire tread surface. (→ Page 24)

The tire manufacturer's warranty coverage may extend beyond the Mercedes-Benz coverage. See tire manufacturer's warranty booklet in the owner's literature package or consult with the tire manufacturer's dealer for specific details.

Tire rotations, if applicable to your vehicle's tire configuration, are a recommended maintenance service.

NO CHARGE: Warranty repairs will be made at no charge for parts and labor.

WARRANTY AVAILABILITY: This warranty is only available at Authorized Mercedes-Benz Dealerships within the United States and Puerto Rico. This warranty is not applicable for vehicles exported from the United States or its territories. The only exception is for vehicles taken to Canada on a temporary basis, such as for vacation purposes, where warranty service may be requested from an Authorized Mercedes-Benz Dealership.

NO PAYMENT OR OTHER COMPENSATION WILL BE MADE FOR INDIRECT OR CONSEQUENTIAL DAMAGE SUCH AS DAMAGE OR INJURY TO PERSONS OR PROPERTY OR LOSS OF REVENUE WHICH MIGHT BE PAID, INCURRED, OR SUSTAINED BY REASON OF THE FAILURE OF ANY PART OR ASSEMBLY WHICH MAY BE REPAIRED OR REPLACED IN ACCORDANCE WITH THE TERMS OF THIS WARRANTY.

DAMAGE DUE TO LACK OF MAINTENANCE: Lack of proper maintenance as described in the Maintenance Booklet. THIRD PARTY SUBSCRIPTIONS: This warranty does not apply to subscriptions services provided by third parties, including but not limited to, subscriptions necessary for Drive Pilot functionality. Mercedes-Benz USA is not responsible for the quality or accuracy of any information from third

party subscription services. Mercedes-Benz USA does not warrant that connections to, from, or through the vehicle will be uninterrupted or error-free. Mercedes-Benz USA does not warranty that third-party services will be available for any length of time.

NORMAL MAINTENANCE IS OWNER'S RESPONSIBILITY: Cleaning and polishing, checking, adding and, when necessary, changing fluids and filters, replacing worn wiper blades, wiper rubber inserts, brake pads and discs, and clutch discs and pressure plates are some of the normal maintenance services required and are not covered by this warranty. DAMAGE DUE TO ALTERATIONS: Alterations by changing or adding to the vehicle can adversely affect its performance, reliability and longevity and are not covered by this warranty.

DAMAGE CAUSED BY REPAIR PARTS AND MISFUELING: MBUSA strongly warns against the introduction of fuels with an anti-knock index less than 91 octane. Malfunctions caused by the use of other than Genuine Mercedes-Benz parts and accessories and damages or malfunctions resulting from incorrect fuel usage, poor fuel quality or from blending additional fuel additives other than those expressly approved for use in exceptional circumstances (see vehicle operator's manual) by MBUSA are not covered.

DAMAGE CAUSED BY IMPROPER BODY REPAIRS: Damage or malfunctions caused by body repairs not performed in accordance with Mercedes-Benz specified repair procedures or otherwise improperly performed are not covered by this warranty.

ALTERED ODOMETER: No warranty coverage shall apply to any vehicle on which the odometer has been altered and/or the actual mileage cannot be determined.

DAMAGE CAUSED BY OUTSIDE INFLUENCES AND THE ENVIRONMENT: Damage from accidents or acts of nature or other events beyond the control of MBUSA is not covered (e.g., fire, flood, earthquake). Parts made from cloth or leather (upholstery, convertible tops, trim items), wood, paint or chrome which have been affected by airborne

fallout, such as chemical and tree sap, or by road salt, hail, driving through high water, flooded areas and extreme storm conditions, windstorm or other environmental factors are not covered by this warranty.

CHANGES IN DESIGN: Improvements and changes in design or additions to Mercedes-Benz vehicles occur regularly and in the normal course of product development. The manufacturer has reserved the right to make any changes in design or to make additions to, or upon, its products without incurring any obligations to install the same equipment on motor vehicles previously built.

RACING OR COMPETITIVE EVENTS: This warranty does not cover the costs of repairing damage or conditions caused by racing or from use on closed-circuit race tracks, nor does it cover the repair of any defects that are found as the result of participating in a racing event.

DAMAGE TO INTERIOR SURFACES: Damage to finished interior surfaces such as upholstery, wood, leather, suede, plastic, chrome, glass, rug, and paint caused by external influence, misuse, or negligence is not covered. Some examples include, but are not limited to, spills, chafe marks, scratches, and impressions from heavy objects or clamping force (such as a strap or mounting device). Damage from the use of third party accessories such as steering wheel locks or vent-mounted air fresheners is also not covered.

General

Our intention is to make any repairs or replacements necessary to correct defects in material or workmanship, but not design, arising during the warranty period without charge to you. This warranty does not mean that your vehicle is free from defects.

Please note the difference between “defects” and “damage” as used in the warranty. Defects are covered since we, the distributor, are responsible. Conversely, we have no control over damage caused by things including, but not limited to, collision, misuse, and lack of or improper maintenance. Therefore, damage for whatever reason is not covered by the warranty. Do not assume that an issue you may experience with your vehicle is due to a defect. Parts can fail for many different reasons not attributable to a defect. In

addition, vehicle symptoms you may hear, feel or see can be due to many different things unrelated to a defect. MBUSA is committed to customer satisfaction, which is why MBUSA recommends that you take your vehicle to an Authorized Mercedes-Benz Dealership where trained professionals can make the appropriate diagnosis and, if necessary, repair.

It is the owner’s responsibility to maintain the vehicle according to the Maintenance Schedule provided. All maintenance services must be accomplished to keep your warranty coverage valid. When requesting service or repair work under warranty, the owner must present to the Authorized Mercedes-Benz Dealership evidence that the periodic servicing requirements have been accomplished. Receipts covering completion of required

servicing should be retained in the event a question arises concerning maintenance.

These receipts should be transferred to each subsequent owner of the vehicle. For your convenience, the Maintenance Booklet has been designed to incorporate the signature of your Authorized Mercedes-Benz Dealership upon completion of the required maintenance services.

This signature is evidence of completion of the maintenance services and should be kept together with other receipts, repair orders and invoices.

If the owner has a warranty claim and can show through receipted invoices that the vehicle has received the required servicing, the Authorized Mercedes-Benz Dealership will perform the warranty work without charging for parts and

labor. It is the responsibility of the owner to prove and the Authorized Mercedes-Benz Dealership to judge whether the required maintenance service has been performed.

MBUSA's obligation under this warranty is limited to the authorization to exchange or repair at its option such parts which are acknowledged by it to be defective. In case of defective assemblies, factory rebuilt units can be used in exchange instead of their repair. The replaced defective parts or assemblies shall become the property of MBUSA. Warranty repairs do not constitute an extension of the original warranty period for the vehicle or a part thereof.

Insurance Write-Off; or Repaired or Replaced Parts. Any vehicle which has been damaged to such an extent that the owner, insurer, financing institution or leasing company determined the vehicle to be a "total loss", "write off" or

equivalent, is not covered by this warranty. This includes but is not limited to vehicles issued a “salvage”, “scrap”, “dismantled” or similar title under any state’s law.

Any parts repaired or replaced under an insurance claim or required as a result of events which are not covered under this warranty (see “Items Which Are Not Covered”, (→ Page 24)), for example, damages due to accidents, misuse, or negligence, and in either case, any subsequent consequential damage to the vehicle are not covered by this warranty.

MBUSA reserves the right to void this warranty under limited circumstances, including but not limited to vehicles that do not have clean title, have been declared a total loss, write off or equivalent, branded, salvaged, scrapped, dismantled,

fire-damaged, flood damaged, junk, rebuilt, reconstructed, or irreparable.

Paint and Other Appearance Items. Defects in paint, trim or other appearance items are normally taken care of during our new vehicle preparation or by the Authorized Mercedes-Benz Dealership during new vehicle inspection. We suggest that if you find any paint or appearance problems that you advise your Authorized Mercedes-Benz Dealership as soon as possible since deterioration due to use and exposure is not covered by the warranty.

The instructions in your Operator’s Manual regarding the care of paint, upholstery, trim items and convertible tops, as applicable, must be followed explicitly to maintain your warranty coverage.

Body Repair Information. Due to the materials and assembly procedures used in the production of Mercedes-Benz vehicles, it is strongly recommended that any paint work/body repairs be performed using Genuine Mercedes-Benz parts by repair facilities which have been certified by MBUSA as having the tools, equipment and training necessary to perform such repairs. MBUSA has certified a network of body repair facilities which are qualified to perform both cosmetic and structural repairs to your vehicle.

While the vehicle owner may elect to have repairs (collision damage/paint repair work) performed by any automobile body repair establishment or individual, damage or malfunction caused by body repairs not performed in accordance with Mercedes-Benz specified repair procedures are not covered by the Mercedes-Benz New Vehicle Limited Warranty.

Should your vehicle need paint work/ body repair or if you have any questions please contact your Authorized Mercedes-Benz Dealership or call 1-800-FOR-MERCEdes.

Customer Repair Orders. MBUSA does not maintain copies of Repair Orders on warranty repairs performed. Your servicing Authorized Mercedes-Benz Dealership will give you a copy of the Repair Order on all warranty repairs performed. Please keep this copy with your vehicle records. **It is your obligation to obtain and keep these records.**

MBUSA reserves the right to make all final decisions regarding warranty matters.

Emission Control System Maintenance

General

The law requires your vehicle to conform to exhaust emission standards. To provide the best vehicle performance and lowest vehicle emissions, you are responsible to ensure that all recommended maintenance procedures detailed in the Maintenance Booklet are performed at the specified times and mileages. The emission control warranty does not cover failures due solely to owner abuse or lack of proper maintenance.

More frequent maintenance may be needed for vehicles under severe operating conditions such as dusty areas, very short trip driving or trailer towing.

While maintenance service can be performed by any qualified service outlet, we recommend that all maintenance services be performed by your Authorized Mercedes-Benz Dealership which is equipped with the tools, instruments, and literature necessary for correct and systematic performance of these services. Although warranty obligations are not dependent upon the use of any particular brand of replacement parts and you may elect to use non-Genuine Mercedes-Benz parts for replacement purposes, we recommend the use of Genuine Mercedes-Benz parts for service and repairs, since they have been made according to the manufacturer's specifications.

It is also important to use only fuels and lubricants meeting factory specifications, since the emission systems warranty does not cover repair or replacement of parts necessitated by failure of such items.

For detailed information concerning emission control system maintenance, please refer to your Maintenance Booklet. If you should desire further information concerning maintenance specifications or emission control system maintenance jobs, we recommend obtaining maintenance related literature. Such literature is available from either your Authorized Mercedes-Benz Dealership or directly from MBUSA.

Emission Systems Warranty

(2) the vehicle is free from defects in materials and workmanship at the time of sale which would cause it not to conform with those regulations within a period of 4 years or 50,000 miles, whichever occurs first, for Light Duty Vehicles (LDV), and 5 years or 50,000 miles, whichever occurs first, for Medium Duty Passenger Vehicles (MDPV), and:

(3) is free from defects in material and workmanship in specific emission related parts as specified in the lists shown on (→ Page 56) which would cause them not to conform with those requirements for a period of 8 years or 80,000 miles, whichever occurs first.

This Warranty Does Not Apply To:

1. The repair or replacement of warranted emission maintenance parts after, and including, their first replacement interval.
2. Any vehicle on which the odometer mileage has been altered and/or the vehicle's actual mileage cannot be readily determined.
3. Loss of time, inconvenience, loss of the use of the vehicle or similar incidental or consequential damages.

This warranty will be performed by any Authorized Mercedes-Benz Dealership of the owner's choice - repairing, replacing or adjusting at the Authorized Mercedes-Benz Dealership's discretion, upon delivery of the vehicle to the Authorized Mercedes-Benz Dealership's place of business

without charge for parts and labor (including diagnosis), using Genuine Mercedes-Benz parts to assure compliance with applicable regulations. Parts replaced under this warranty become the property of the warrantor.

This warranty is available only for a vehicle purchased in the United States or its territories, including but not limited to Puerto Rico. This warranty is not applicable for vehicles exported from the United States or its territories, including Puerto Rico.

In all other countries, defective parts will be repaired or replaced free of charge only in accordance with the terms and limitations of the warranty for new Mercedes-Benz vehicles in effect at the time in such countries.

WITH RESPECT TO EMISSION SYSTEMS, THIS WARRANTY AND THE EMISSIONS PERFORMANCE WARRANTY ARE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON THE PART OF THE WARRANTOR. MERCEDES-BENZ AG, MERCEDES-BENZ USA, LLC, MERCEDES-BENZ U.S. INTERNATIONAL, INC, MERCEDES-BENZ RESEARCH & DEVELOPMENT NORTH AMERICA, INC. OR THE SELLING AUTHORIZED MERCEDES-BENZ DEALERSHIP NEITHER ASSUME NOR AUTHORIZE ANY OTHER PERSON TO ASSUME FOR THEM ANY OTHER LIABILITY IN CONNECTION WITH SUCH EMISSION SYSTEMS.

See (→ Page 56) for components covered by this warranty.

Emission Performance Warranty

General

You may present a claim under this warranty immediately after your vehicle has failed an EPA approved emission short test if, as a result of that failure, you are required by law to repair the vehicle to avoid the imposition of a penalty or sanction. You do not need to suffer the loss of the right to use the vehicle, pay a fine, or incur repair expenses before bringing this claim. Your warranty claim may be presented to any Authorized Mercedes-Benz Dealership of your choice in the USA or its territories.

The Authorized Mercedes-Benz Dealership will honor or deny your claim within a reasonable time not to exceed

30 days, from the time at which your vehicle is initially presented for repair or within any time period specified by local, State or Federal Law, whichever is shorter, except when a delay is caused by events not attributable to MBUSA or your Authorized Mercedes-Benz Dealership. You will be notified in writing by your Authorized Mercedes-Benz Dealership of the reason for any denial of your claim.

Your Authorized Mercedes-Benz Dealership is required by law to honor your claim if such notice of denial is not received by you within said time period.

You may obtain further information concerning the emission performance warranty or report violations of the terms of the emission performance warranty by contacting:

U.S. Environmental Protection Agency
Office of Transportation and Air Quality
Compliance Division, Light-Duty Vehicle Group
Attn: Warranty Complaints
2000 Traverwood Drive
Ann Arbor, MI 48105
Email: complianceinfo@epa.gov

NOTE: The Emission Performance Warranty is required by Federal Law, and is effective only to the extent required by that law. To the extent the underlying law is suspended or amended, this Warranty is automatically altered in the same manner, without further notice.

MBUSA warrants to the original and each subsequent owner of a new Mercedes-Benz vehicle that:

- a. if the vehicle is maintained and operated in accordance with the written instructions for required maintenance and use, and
- b. if the vehicle fails to conform at any time during 8 years or 80,000 miles, whichever occurs first, to the applicable emission standards as ascertained by an EPA-approved emission short test, and
- c. if such non-conformity results or will result in the vehicle owner having to bear any penalty or other sanction (including the denial of the right to use the vehicle) under local, State or Federal law, then any Authorized Mercedes-Benz Dealership during the first (24 months or 24,000 miles) for LDV or (60 months or 50,000 miles) for MDPV will make any repairs or replacements necessary

to specified systems/components to correct the non-conformity or so that the vehicle will pass the smog check test at no charge for parts and labor (including diagnosis).

For the remainder of the 8 years or 80,000 miles the Authorized Mercedes-Benz Dealership will correct only those deficiencies directly related to the specified components in the attached list which have been installed in or on the vehicle for the sole or primary purpose of reducing vehicle emissions and that were not in general use prior to Model Year 1968.

Parts replaced under this warranty become the property of the warrantor. The warranty period starts on the date the vehicle is delivered to the first retail purchaser or put into service as an Authorized Mercedes-Benz Dealership

demonstrator or MBUSI, MBUSA or MBRDNA company vehicle.

The emission control system of your new Mercedes-Benz vehicle was designed, built and tested using Genuine Mercedes-Benz parts and the vehicle is certified as being in conformity with Federal emission control regulations and requirements. Accordingly, it is recommended that any replacement parts used for maintenance, repair or replacement of emission related components be Genuine Mercedes-Benz Parts, including Remanufactured Parts.

The owner may elect to have maintenance, replacement or repair of the emission control devices and systems performed by any automotive repair establishment or individual, and may elect to use other than Genuine Mercedes-Benz Parts, including Remanufactured Parts for such maintenance,

replacement or repair without invalidating this warranty; the cost of such service or parts, however, will not be covered under the warranty except in the case of an emergency. Use of replacement parts which are not of equivalent quality and design may impair the effectiveness of the emission control systems.

If other than Genuine Mercedes-Benz Parts, including Remanufactured Parts are being used for maintenance, replacement or repair of components affecting emission control, the owner should obtain assurances that such parts are warranted by their manufacturer to be equivalent to Genuine Mercedes-Benz parts in performance and durability.

MBUSA, however, assumes no liability under this warranty with respect to parts other than Genuine Mercedes-Benz Parts, including Remanufactured Parts except for conse-

quential damage to a non-Mercedes-Benz warranted part caused by a failure of a Mercedes-Benz part. However, the use of non-Mercedes-Benz replacement parts does not invalidate the warranty on other components unless non-Mercedes-Benz parts cause damage to warranted parts.

MBUSA may deny an emission performance warranty claim if the failure of a part is the result of:

- a. non-compliance with the written instructions for required maintenance and use. These written instructions, including time and mileage intervals at which maintenance is to be performed may be found in the Maintenance Booklet and Operator's Manual provided with your vehicle. You are advised to perform all recommended maintenance or repairs on your new Mercedes-Benz vehicle. MBUSA may deny a warranty claim if your failure

to perform the required maintenance resulted in the failure of the warranted part in question. Receipts and service records covering the performance of regular maintenance should be retained in the event questions arise concerning maintenance. The receipts and service records should be transferred to each subsequent owner of this vehicle.

- b. vehicle abuse or maintenance performed in such a manner that an emission component was improperly installed or adjusted substantially outside the manufacturer's specifications or which resulted in removing or rendering inoperative any component affecting the vehicle's emissions.
- c. using non-EPA certified replacement parts in the maintenance or repair of the vehicle which ultimately proved to be defective in material or workmanship or not equiva-

lent from an emission standpoint to the original equipment part and the owner is unable to prove otherwise.

MBUSA strongly warns against the introduction of fuels with an anti-knock index less than 91 octane. MBUSA may deny an emission related warranty claim if it can establish that the failure or the malfunction of an emission control system part results directly from the use of:

- Gasoline engines
non-premium low octane gasoline with an anti-knock index of below 91

This Warranty Does Not Cover:

- a. Malfunctions in any part caused by any of the following: misuse, improper adjustments, modification, alteration, tampering, disconnection, improper or inadequate maintenance, or use of leaded gasoline for catalyst equipped vehicles.
- b. Damage resulting from accident, acts of nature or other events beyond the control of MBUSA.
- c. The repair or replacement of warranted emission maintenance parts after, and including, their first replacement interval.
- d. Loss of time, inconvenience, loss of use of the vehicle, or other incidental or consequential damages.
- e. Any vehicle on which the odometer mileage has been altered so that the vehicle's actual mileage cannot be determined.

This warranty is available only for a vehicle purchased in the United States or its territories, including but not limited to Puerto Rico. This warranty is not applicable for vehicles exported from the United States or its territories, including Puerto Rico.

In all other countries, defective parts will be repaired or replaced free of charge only in accordance with the terms and limitations of the warranty for new Mercedes-Benz vehicles in effect at the time in such countries.

EXCEPT FOR THE EMISSION CONTROL WARRANTY, THIS WARRANTY AND THE LIMITED WARRANTY FOR NEW MERCEDES-BENZ VEHICLES ARE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATION, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON THE PART OF THE WARRANTOR. MERCEDES-BENZ AG, MERCEDES-BENZ USA, LLC, MERCEDES-BENZ U.S. INTERNATIONAL, INC, MERCEDES-BENZ RESEARCH & DEVELOPMENT NORTH AMERICA, INC. OR THE SELLING AUTHORIZED Mercedes-Benz Dealership NEITHER ASSUME NOR AUTHORIZE ANY OTHER PERSON TO ASSUME FOR THEM ANY OTHER LIABILITY IN CONNECTION WITH SUCH EMISSION SYSTEMS.

The lists shown on (→ Page 56) set forth the emission related components which may be covered by the emissions performance warranty.

High-Voltage Battery Limited Warranty

General

This High-Voltage Battery Limited Warranty (“Battery Coverage”) supplements the warranty coverage for the High-Voltage Battery in a Plug-in Hybrid Electric vehicle offered under the New Vehicle Limited Warranty (“Vehicle’s Warranty”). This Battery Coverage is separate from and in addition to the express conditions and warranties set forth in the Vehicle’s Warranty and in no way alters or extends that coverage.

Items Which Are Covered:

For warranty claims specific to battery capacity, the replacement battery will be in a condition appropriate to the age and mileage of the vehicle sufficient to achieve or exceed the minimum battery capacity for the remainder of the warranty period of the original battery. Note that the vehicle's range estimates are an imperfect measure of battery capacity because they are affected by additional factors separate from battery capacity. The measurement method used to determine battery capacity, and the decision of whether to repair, replace, or provide reconditioned or re-manufactured parts, and the condition of any such replaced, reconditioned or re-manufactured parts, are at the sole discretion of Mercedes-Benz.

BATTERY COVERAGE: Mercedes-Benz USA, LLC (MBUSA) warrants the High-Voltage Battery in a Plug-in Hybrid Electric vehicle to the original and each subsequent owner for any repairs or replacements necessary to correct defects in material or workmanship to the battery arising after the expiration of the Vehicle's Warranty.

OWNER'S RESPONSIBILITY: It is the owner's responsibility to maintain the vehicle according to the applicable Maintenance Schedule provided. All required maintenance services must be accomplished to keep your Battery Coverage valid.

BATTERY COVERAGE PERIOD: The Battery Coverage starts on the same date as the Vehicle's Warranty (→ Page 17). The length of this Battery Coverage is up to 6 years or 62,000 miles, whichever occurs first.

AVAILABILITY OF BATTERY COVERAGE: This Battery Coverage has the same geographic restrictions as the Vehicle's Warranty, including restrictions against the applicability of the Battery Coverage outside of the United States and Puerto Rico (→ Page 15) .

New Vehicles which are first sold by an authorized Mercedes-Benz Dealership and which are registered in certain states are eligible for additional coverage required by state law (→ Page 78), provided that the vehicle and the high-voltage battery have been properly maintained and serviced, and not subject to any of the categories in the "Items Which Are Not Covered" referenced below.

Items Which Are Not Covered:

EXCLUSIONS FROM BATTERY COVERAGE: In addition to the Items Which Are Not Covered under the Vehicle's Warranty (→ Page 24), the Battery Coverage does not cover damage or failures resulting from or caused by:

- Physically damaging or intentionally attempting to reduce the life of the high-voltage battery
- Exposing the high-voltage battery to a direct flame
- Immersing any portion of the high-voltage battery in water or fluids
- Opening the high-voltage battery enclosure or having it serviced by someone other than an authorized Mercedes-Benz Dealership
- Neglecting to follow correct charging procedures as recommended in the Operator's Manual
- Using incompatible charging devices
- Failure to repair an existing problem or otherwise properly maintain the vehicle
- Using the vehicle as a power source for alternative functions other than factory installed equipment.

EXCLUSIONS FOR GRADUAL CAPACITY LOSS: The vehicle's battery, like all all High-Voltage Batteries, will experience gradual capacity loss with time and use. Loss of Capacity due to or resulting from gradual Capacity loss is not covered beyond the terms and limits specified in this Battery Limited Warranty (as set forth above). See the Operator's Manual for recommendations on how to maximize the life and capacity of the vehicle's high-voltage battery.

OTHER EXCLUSIONS: In addition to the exclusions set forth above, this Battery Coverage does not cover the costs of repairing damage or conditions caused by:

- Accident, collision, or object striking the vehicle
- Towing of the vehicle (Flatbed recommended)
- Abuse or negligence

- Failure to operate the vehicle in accordance with the Operator's Manual
- Misuse – such as towing, driving over curbs, overloading, using the vehicle as a power source, or for any other purpose for which the vehicle is not designed
- Use of replacement parts other than Genuine Mercedes-Benz parts
- Improper repair or maintenance
- Fire, explosion, earthquake, windstorm, lightning, hail, flood
- Normal wear and tear
- Failure to repair an existing problem or otherwise properly maintain the vehicle

NO COVERAGE FOR INSURANCE WRITE- OFF; OR REPAIRED OR REPLACED PARTS: Like the Vehicle's Warranty coverage, this Battery Limited Warranty provides no coverage of any kind if the owner, insurer, financing institution or leasing company determined the vehicle to be a "total loss," "write off," or equivalent, or for any parts repaired or replaced under an insurance claim, which are not required under the Vehicle or Battery Warranty coverage (→ Page 31).

Obligations of the purchaser

1. The purchaser shall bear all expenses associated with the operation of the high-voltage battery, particularly electricity costs and insurance premiums. Maintenance and repair costs shall be assumed by the purchaser only if they are not assumed by Mercedes-Benz in accordance with the “Mercedes-Benz battery certificate” section.
2. The purchaser is responsible for ensuring that the high-voltage battery is used exclusively as energy storage for the electric drive vehicle and is handled according to the manufacturer’s operating instructions. In particular, the purchaser is obliged to the following:
 - The vehicle with a high-voltage battery must always be stored in accordance with the instructions for battery care in the vehicle Owner’s Manual, provided that the highvoltage battery is not connected to a power source.
 - The high-voltage battery must be charged properly, i.e. only the approved/recommended charging cable for the vehicle may be used.

3. The high-voltage battery must be used only as intended in the contract, be treated with sufficient care and protected from damage. The Purchaser and each subsequent purchaser may not make any modifications (e.g. tuning) or improper repairs to the high-voltage on-board electrical system and its components (electric motor, power electronics, charging unit, heating, air conditioning, wiring or the high-voltage battery itself). The purchaser may connect additional consumers only in accordance with the vehicle Owner's Manual. The purchaser shall ensure that the high-voltage battery is only used in a roadworthy and reliable condition.
4. The purchaser is obliged to have maintenance work carried out on the vehicle with high-voltage battery, including service and additional maintenance work, in accordance with Mercedes-Benz specifications within the indicated period, so that the necessary maintenance as well as wear and tear repairs can be correctly performed on the high-voltage battery. The service due date is displayed to the purchaser in the instrument cluster of the vehicle.

Warranty Service:

ANY AUTHORIZED MERCEDES-BENZ DEALERSHIP: To make a warranty claim under this Battery Coverage you must present your vehicle to an authorized Mercedes-Benz Dealership so a diagnosis can be performed to determine whether it is necessary to correct a defect in material or workmanship. Any authorized Mercedes-Benz Dealership of the owner's choice will perform warranty repairs or replacements. The location of the nearest authorized Mercedes-Benz Dealership may be obtained by visiting www.mbusa.com or calling 1-800-FOR-MERCEdes. In the event a warranty or service matter is not handled to your satisfaction, see (→ Page 93) for suggested steps.

Your satisfaction is our primary concern; and MBUSA will do everything it can to assist your authorized Mercedes-Benz Dealership in resolving your warranty problem or provide you with an explanation of MBUSA's position.

CALIFORNIA EMISSION CONTROL WARRANTY STATEMENT

Your Warranty Rights and Obligations:

The California Air Resources Board and MBUSA are pleased to explain the emission control system warranty on your Mercedes-Benz vehicle. In California new motor vehicles must be designed, built and equipped to meet these states' stringent anti-smog standards. MBUSA must warrant the emission control system on your Mercedes-Benz vehicle for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your vehicle.

Your emission control system may include such parts as the fuel injection system, ignition system, catalytic converter and engine computers. Also included may be hoses, belts, connectors and other emission related assemblies.

Where a warrantable condition exists, MBUSA will repair your Mercedes-Benz vehicle at no cost to you including diagnosis, parts and labor.

Manufacturer's Warranty Coverage:

For 4 years or 50,000 miles, whichever occurs first, for Light Duty Vehicles, and 5 years or 50,000 miles, for Medium Duty Passenger Vehicles:

1. If your Mercedes-Benz vehicle fails a Smog Check Inspection, all necessary repairs and adjustments will be made by MBUSA to ensure that your vehicle passes the inspection. This is your emission control system PERFORMANCE WARRANTY.
2. If any emission related part on your Mercedes-Benz vehicle is defective, the part will be repaired or replaced by MBUSA. This is your short-term emission control system DEFECTS WARRANTY (→ Page 56).

For 7 years or 70,000 miles, whichever occurs first:

1. If an emission related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles is defective, the part will be repaired or replaced by MBUSA. This is your long-term emission control system DEFECTS WARRANTY (→ Page 74).

Owner's Warranty Responsibilities:

As the vehicle owner, you are responsible for the performance of the required maintenance listed in your Maintenance Booklet. MBUSA recommends that you retain all receipts covering maintenance on your vehicle, but MBUSA cannot deny emission control system warranty solely for the lack of receipts or for your failure to ensure the performance of all required maintenance.

You are responsible for presenting your Mercedes-Benz vehicle to an Authorized Mercedes-Benz Dealership as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the vehicle owner, you should also be aware that MBUSA may deny you warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

GENERAL EMISSIONS WARRANTY COVERAGE

The manufacturer of each motor vehicle or motor vehicle engine shall warrant to the ultimate purchaser and each subsequent purchaser that the vehicle or engine is:

(1) Designed, built, and equipped so as to conform with all applicable regulations adopted by the Air Resources Board pursuant to its authority in chapters 1 and 2, part 5, division 26 of the Health and Safety Code; and

(2) Free from defects in materials and workmanship which cause the failure of a warranted part to be identical in all material respects to the part as described in the vehicle or engine manufacturer's application for certification, including any defect in materials or workmanship which would cause the vehicle's on-board diagnostic malfunction indicator

light to illuminate, for a period of 4 years or 50,000 miles, whichever occurs first, for Light Duty Vehicles, and 5 years or 50,000 miles, for Medium Duty Passenger Vehicles; and

(3) Free from defects in materials and workmanship which cause the failure of a "High-Priced" warranted part as specified in the attached list for 7 years or 70,000 miles, whichever occurs first.

MBUSA further warrants that:

- a. if the vehicle is maintained and operated in accordance with the written instructions for required maintenance and use, and
- b. if a part is defective during 4 years or 50,000 miles, whichever occurs first, for Light Duty Vehicles, and 5 years or 50,000 miles, whichever occurs first, for Medium Duty Passenger Vehicles which causes the vehicle not to conform to the applicable CARB requirement or to fail a smog check test, or
- c. if an emission-related part covered by the 7 year or 70,000 mile, whichever occurs first, warranty term is defective during the warranty period,

then any Authorized Mercedes-Benz Dealership of the owner's choice will make any adjustments, repairs or replacements (including diagnosis) necessary to correct the defect or so that the vehicle will pass the smog check test at no charge for parts, labor or diagnosis.

If your vehicle is between 3 to 8 years old and has been driven less than 80,000 miles, then your vehicle may be eligible for additional coverage under the Federal Emissions Warranty.

These warranty provisions shall begin on the date the vehicle is delivered to the first retail purchaser or, if the vehicle is first placed in service as a retail demonstrator or MBUSI, MBUSA or MBRDNA company vehicle prior to sale at retail, on the date the vehicle is first placed in such service.

The emission control system of your new Mercedes-Benz vehicle was designed, built and tested using Genuine Mercedes-Benz parts and the vehicle is certified as being in conformity with Federal California, Colorado, Connecticut, Delaware, Maine, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont, Virginia and Washington emission control regulations and requirements. Accordingly, it is recommended that any replacement parts used for maintenance, repair or replacement of emission related components be Genuine Mercedes-Benz Parts, including Remanufactured Parts.

The owner may elect to have maintenance, replacement or repair of the emission control devices and systems performed by any automotive repair establishment or individual, and may elect to use other than Genuine Mercedes-Benz Parts, including Remanufactured Parts for

such maintenance, replacement or repair without invalidating this warranty; the cost of such service or parts, however, will not be covered under the warranty except in the case of an emergency.

Use of replacement parts which are not of equivalent quality and design may impair the effectiveness of the emission control systems. If other than Genuine Mercedes-Benz Parts, including Remanufactured Parts are being used for maintenance, replacement or repair of components affecting emission control, the owner should obtain assurances that such parts are warranted by their manufacturer to be equivalent to Genuine Mercedes-Benz parts in performance and durability.

MBUSA, however, assumes no liability under this warranty with respect to parts other than Genuine Mercedes-Benz Parts, including Remanufactured Parts except for consequential damage to a non-Mercedes-Benz warranted part caused by a failure of a Mercedes-Benz part. However, the use of non-Mercedes-Benz replacement parts does not invalidate the warranty on other components unless non-Mercedes-Benz parts cause damage to warranted parts.

Repairs covered by this warranty will be performed by any Authorized Mercedes-Benz Dealership at its place of business with no charge for parts or labor (including diagnosis), using Genuine Mercedes-Benz Parts, including Remanufactured Parts for any part covered by this warranty.

In the case of an emergency, when and where an Authorized Mercedes-Benz Dealership is not available, repairs may be performed at any available service establishment or by the owner using any replacement part. The non-availability of a replacement part for warranty repair or a repair not completed within 30 days constitutes an emergency.

MBUSA will reimburse the owner for such repairs (including labor and diagnosis) that are covered under this warranty. Such reimbursement shall not exceed MBUSA suggested retail prices for warranted parts replaced and labor charges based on MBUSA recommended time allowances for warranty repairs at a geographically appropriate hourly labor rate. Replaced parts and paid invoices must be presented at an Authorized Mercedes-Benz Dealership as a condition of reimbursement for emergency repairs not performed at an Authorized Mercedes-Benz Dealership. Parts replaced under this warranty become the property of the warrantor.

The enclosed list sets forth some of the emission related components covered by the emission control system defects warranty. You are advised to perform all recommended maintenance or repairs on your new Mercedes-Benz vehicle. MBUSA will not deny an emissions system warranty claim solely because you have no record of maintenance; however, you are responsible for the performance of the required maintenance. MBUSA may deny a warranty claim if your failure to perform the required maintenance resulted in the failure of a warranted part. Receipts and service records covering the performance of regular maintenance should be retained in the event questions arise concerning maintenance. The receipts and service records should be transferred to each subsequent owner of this vehicle.

MBUSA strongly warns against the introduction of fuels with an anti-knock index less than 91 octane. MBUSA may deny an emission related warranty claim if it can establish that the failure or the malfunction of an emission control system part results directly from the use of:

- Gasoline engines
non-premium low octane gasoline with an anti-knock index of below 91

This warranty does not cover:

1. The repair or replacement of any “warranted part” otherwise eligible for warranty coverage shall be excluded from such warranty coverage if the vehicle or engine manufacturer demonstrates that the vehicle or engine has been abused, neglected or improperly maintained, and that such abuse, neglect, or improper maintenance was the direct cause of the need for the repair or replacement of the part.
2. Malfunctions in any part caused by any of the following: improper adjustments except for those done by an Authorized Mercedes-Benz Dealership during warranty service work, modification, alteration, tampering, disconnection, or use of leaded gasoline (for catalyst equipped vehicles).
3. Damage resulting from accident, acts of nature or other events beyond the control of MBUSA.
4. The repair or replacement of warranted emission maintenance parts after, and including, their first replacement interval.
5. Incidental or consequential damages such as loss of time, inconvenience, or loss of use of the vehicle.
6. Any vehicle on which the odometer mileage has been altered so that the vehicle’s actual mileage cannot be determined.

This warranty is applicable to new vehicles which are first sold by an Authorized Mercedes-Benz Dealership and are registered in the States of California, Colorado, Connecticut, Delaware, Maine, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont, Virginia and Washington. In all other states or countries, defective parts will be repaired or replaced in accordance with the terms and limitations of the warranty applicable to new Mercedes-Benz vehicles in effect at the time in such states or countries.

You may present a claim under the performance warranty immediately after your vehicle has failed a smog check test. You do not need to suffer the loss of the right to use the vehicle, pay a fine, or incur repair expenses before bringing this claim. After the 4 years or 50,000 miles for Light Duty Vehicles, and 5 years or 50,000 miles for Medium

Duty Passenger Vehicles performance warranty period has passed, a smog check test failure due to a defect in a part which is warranted for 7 years/70,000 miles, is covered. Your warranty claim may be presented to any Authorized Mercedes-Benz Dealership of your choice. The Authorized Mercedes-Benz Dealership will honor or deny your claim within a reasonable time not to exceed 30 days, from the time at which your vehicle is initially presented for repair. Exceptions are when you, the owner, request a delay, or a delay is caused by events not attributable to MBUSA or your Authorized Mercedes-Benz Dealership.

You will be notified in writing by your Authorized Mercedes-Benz Dealership of the reasons for any denial of your claim. Your Authorized Mercedes-Benz Dealership is required by law to honor your claim if such notice of denial is not received by you within said time period.

WITH RESPECT TO EMISSION SYSTEMS, THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON THE PART OF THE WARRANTOR. MERCEDES-BENZ AG, MERCEDES-BENZ U.S. INTERNATIONAL, INC., MERCEDES-BENZ USA, LLC, MERCEDES-BENZ RESEARCH & DEVELOPMENT NORTH AMERICA, INC. OR THE AUTHORIZED MERCEDES-BENZ DEALERSHIP NEITHER ASSUME NOR AUTHORIZE ANY OTHER PERSON TO ASSUME FOR THEM ANY OTHER LIABILITY IN CONNECTION WITH SUCH EMISSION SYSTEMS.

Plug-in Hybrid Electric - SULEV (CA, CO, CT, MA, MD, ME, MN, NJ, NV, NY, OR, RI, VA, VT and WA Only)

Your Warranty Rights and Obligations:

MBUSA is pleased to explain the extended emission control warranty on your Mercedes-Benz Plug-in Hybrid Electric vehicle that meets SULEV standards. In California, Colorado, Connecticut, Maine, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, New York, Oregon, Rhode Island, Vermont, Virginia and Washington, new motor vehicles must be designed, built and equipped to meet these states' stringent anti-smog standards. MBUSA must warrant the emission control system on your Mercedes-Benz vehicle for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your vehicle.

The California Extended Emission Control Warranty for your Mercedes-Benz Plug-in Hybrid Vehicle that meet SULEV standards is an extension of the California Emission Control warranty.

Applicable Plug-in Hybrid Electric Vehicles:

Plug-in Hybrid Electric vehicles which meet the California Air Resources Board (CARB) Super Ultra-Low-Emission-Vehicle (SULEV) emission standard. This standard is an important part of understanding your emission warranty rights described in this section. To identify the vehicle type refer to the text description on the Vehicle Emission Control Information (VECI) label located in the engine compartment. 'SULEV' will be specified.

Please note the location of the VECI label may vary depending on model. Refer to your vehicle Operator's Manual for further information on identification labels and their locations.

Extended Emission Control System Warranty Coverage:

For 15 years or 150,000 miles, whichever occurs first:

- If your Mercedes-Benz vehicle fails a Smog Check Inspection, all necessary repairs and adjustments will be made by MBUSA to ensure that your vehicle passes the inspection. This is your California Extended Emission Control Warranty.

High-Voltage Battery Extended Coverage:

For 10 years or 150,000 miles, whichever occurs first:

- The High-Voltage Battery extended warranty coverage period for new Plug-in Hybrid Electric vehicles that meet SULEV which are first sold by an authorized Mercedes-Benz Dealership which are registered in an applicable state.

Warranty Enforcement Laws (Lemon Laws)

Laws in many states and federal law permit owners and/or lessees to obtain a replacement vehicle or a refund of the purchase or lease price under certain circumstances. The provisions of these laws vary from state to state and vary from the federal law. To the extent allowed or not prohibited by applicable law, MBUSA requires that you first provide us with direct written notification of any alleged unrepaired defect or malfunction, or any other dissatisfaction you have experienced with your vehicle so that we have the opportunity to cure the problem or dissatisfaction ourselves. Giving MBUSA itself this direct notice and opportunity to cure enables us to supplement prior efforts by our Authorized Mercedes-Benz Dealership so any ongoing problem can be resolved or the dissatisfaction addressed by us. In states that do not require it, we also require, without constituting any liability beyond the Mercedes-Benz new vehicle warranty, that you give us direct written notice of any service difficulty you have experienced. Written notifications, either required under an applicable Lemon Law or other written notifications should be sent to us, not one of our Authorized Mercedes-Benz Dealership, at Mercedes-Benz USA, LLC, Customer Care Center, One Mercedes-Benz Drive, Sandy Springs, GA 30328.

California Consumer Notice

During the period of 18 months from original delivery of the vehicle or the accumulation of 18,000 miles on the odometer of the vehicle, whichever occurs first, a reasonable number of repair attempts is presumed for a retail buyer or lessee if one or more of the following occurs: (1) the same substantial defect or malfunction results in a condition that is likely to cause death or serious bodily injury if the vehicle is driven, that defect or malfunction has been subject to repair two or more times, and you have directly notified MBUSA in writing of the need for its repair, (2) the same substantial defect or malfunction of a less serious nature than category (1) has been subject to repair four or more times and you have directly notified us in writing of the need for its repair, or (3) the vehicle is out of service by reason of repair of the same or different substantial defects or malfunctions for a cumulative total of more than 30 calendar days. California Civil Code Section 1793.22(b) creates a presumption that Mercedes-Benz has had a reasonable number of attempts to conform the vehicle to its applicable express warranties if, within 18 months from delivery to the buyer or 18,000 miles on the vehicle's odometer, whichever occurs first, one or more of the following occurs:

9. The following remedies may **not** be sought in CDSP: punitive or multiple damages, attorneys' fees, or consequential damages other than as provided in California Civil Code Section 1794(a) and (b).
10. You may accept or reject the decision issued by a CDSP arbitrator. If you reject the decision, you will be free to pursue further legal action. The arbitrator's decision and any findings will be admissible in a court action.

11. If you accept the arbitrator's decision, Mercedes-Benz will be bound by the decision, and will comply with the decision within a reasonable time not to exceed 30 days after we receive notice of your acceptance of the decision.
