Climate control

Climate control

Optimum climate control is only achieved with the windows, side windows and roof closed.

To prevent the windows from fogging up, please observe the following information:
- As far as possible, do not switch off climate control.
- In the event of fogging up, switch on the cooling function.
- If necessary, briefly switch on the windshield defroster function.
- Keep the windows and glass surfaces as clean as possible.

AIR CONDITIONING AND HEATING

Climate control

Active Distance Assist DISTRONIC

As far as possible, do not switch off climate control.

To prevent the windows from fogging up, please observe the following information:
- As far as possible, do not switch off climate control.
- In the event of fogging up, switch on the cooling function.
- If necessary, briefly switch on the windshield defroster function.

Connecting external media sources

Your device is connected to your vehicle if:
- the Mercedes-Benz Guides app is loaded and activated on your mobile phone.
- the device is turned on.
- the Bluetooth connection is established.
- the media source is recognized.

To manage the connections, select Bluetooth in the system menu.

Multifunction display

- Turn the cursor to select the function.
- Press the button to confirm.
- To de-activate the menu bar, press and hold the button.

- The multifunction display is shown.
- Switch on the multimedia system via the center display.
- If you have not already done so, select your device on the center display.
- Press the button to confirm.

Head-up Display

- The Head-up Display is activated via the menu bar of the multimedia system home screen.
- To open or close:
  - The kicking movement must be towards the vehicle’s bumper with your foot.
  - The battery check lamp of the SmartKey button lights up twice briefly and once for a longer period.

- The Head-up Display has three configurable areas.
- To select the functions:
  - Press Back/Home button twice.
  - The selected area will be highlighted.

- To make swiping movements:
  - Swipe to the left or right on Touch Control.
  - The selected area will be highlighted.

- To call up the menu bar:
  - Press twice in succession on Touch Control.

- To call up the Notifications Center:
  - Press the info button.

- To deactivate:
  - Press and hold the button.

- The selected area is shown.

WARNING
Make sure that you read the entire Operator’s Manual. Otherwise, you may not recognize dangers.

MBUX multimedia system home screen

- Multifunction display
- Device manager

Media/radio voice commands
- "Switch to station Z100"
- "Play Bob Dylan"

Online voice commands
- "What will the weather be like tomorrow in Boston?"
- "Call John Doe"

Vehicle voice commands
- "Temperature 22 °C"
- "Ambient lighting to blue"
- "Front passenger reading light on"

Bluetooth

Connecting and external media sources

Bluetooth®

Bluetooth® is switched on on the mobile phone and connected to your vehicle.

To connect:
- Press the button.

To disconnect:
- Press the button.

Bluetooth® can be freely selected. Content can be made via the selected display.

Further information on your vehicle

Mercedes-Benz Customer Services
- Customer Service is available by phone from 8 a.m. to 8 p.m. Monday through Friday.
- You can find the contact for your region in the Customer Service menu.

Further information
- If you lose the full scope of your vehicle’s CarKey, visit the Mercedes me portal.
