General notes

WARNING

Make sure that you read the entire Operator's Manual. Otherwise, you may not recognize dangers.

Note that your vehicle may not be equipped with all features described.

* Not available in all countries
Starting a call
- To say a command: Press the \( \text{\text{\textcircled{1}} \text{\textcircled{1}}} \) button and say the command after the audible signal.
- To control the call: Use the controller.

Voice Control System
- General information: The voice control system is activated when the vehicle is started. After activation, the following can be said:
  - "Menu," "Telephone," or "Help" command.
  - "Menu" command: Activates the voice control system.
  - "Help" command: Activates the voice control help functions.
  - "Menu" command: If you press the \( \text{\text{\textcircled{1}} \text{\textcircled{1}}} \) button, the possible commands are displayed in a help window. You can cancel the display of this help window in the multimedia system.

Examples:
