Brief overview

C-Class Sedan

Mercedes-Benz

Overview

Air-conditioning function bar

• Air-conditioning function bar

You can set automatic climate control using:

• The buttons on the control unit

Switches on or off

Active Distance Assist DISTRONIC

• Activates Active Distance Assist DISTRONIC
• Deactivates Active Distance Assist DISTRONIC

Using rocker switch on the control panel up or down:

You can change the set speed

1st step: Press rocker switch on the control panel up or down. The specified minimum distance to the vehicle in front is displayed in the instrument cluster.

2nd step: If rocker switch is pressed up or down beyond the pressure point, you can change the distance by 3 m (10 ft) per press.

The specified minimum distance depends on the minimum driving speed.

The specified minimum distance is highlighted in the instrument cluster.

WARNING Make sure that you read the entire Operator's Manual. Otherwise, you may not recognize dangers.

Note that your vehicle may not be equipped with all of the functions described.
