Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

## General

Our intention is to repair under warranty, without charge to you, anything that goes wrong with your vehicle during the warranty period which is our fault. All we ask is that you properly maintain and care for the vehicle and that you have warranty repairs performed by an authorized smart Center.

Please note the difference between "defects" and "damage" as used in the warranty. Defects are covered since we, the distributor are responsible. Conversely, we have no control over damage caused by such things as, but not limited to collision, misuse, and lack of or improper maintenance. Therefore, damage for whatever reason is not covered by the warranty.

**It is the owner's responsibility to maintain the vehicle according to the Maintenance Schedule provided. All maintenance services must be accomplished to keep your warranty coverage valid. When requesting service or repair work under warranty, the owner must present to the authorized smart Center evidence that the periodic servicing requirements have been accomplished. Receipts covering completion of required servicing should be retained in the event a question arises concerning maintenance.**

**These receipts should be transferred to each subsequent owner of the vehicle. For your convenience, the Maintenance Booklet has been designed to incorporate the signature of your authorized smart Center upon completion of the required maintenance services.**

**This signature is evidence of completion of the maintenance services and should be kept together with other receipts, repair orders and invoices.**

**If the owner has a warranty claim and can show through receipted invoices that the vehicle has received the required servicing, the authorized smart Center will perform the warranty work without charging for parts and labor. It is the responsibility of the owner to prove and the authorized smart Center to judge whether the required maintenance service has been performed.**

DVIUSA's obligation is limited to the authorization to exchange or repair at its option such parts which are acknowledged by it to be defective. In case of defective assemblies, Genuine smart Remanufactured Parts can be used in exchange instead of their repair. The replaced defective parts or assemblies shall become the property of DVIUSA. Warranty repairs do not constitute an extension of the original warranty period for the vehicle or a part thereof.

## Insurance Write-Off; or Repaired or Replaced Parts

Any vehicle which has been damaged to such an extent that the owner, insurer, financing institution or leasing company determined the vehicle to be a “total loss”, “write off” or equivalent, is not covered by this warranty. This includes but is not limited to vehicles issued a “salvage”, “scrap”, “dismantled” or similar title under any state’s law.

Any parts repaired or replaced under an insurance claim or required as a result of events which are not covered under this warranty (see “Items Which Are Not Covered”, (> Page 14), for example, damages due to accidents, misuse, or negligence, and in either case, any subsequent consequential damage to the vehicle are not covered by this warranty.

## Paint and Other Appearance Items

Defects in paint, trim or other appearance items are normally taken care of during our new vehicle preparation or by the authorized smart Center during new vehicle inspection. We suggest that if you find any paint or appearance problems that you advise your authorized smart Center as soon as possible since deterioration due to use and exposure is not covered by the warranty.

**The instructions in your Operator’s Manual regarding the care of paint, upholstery, trim items and convertible tops, as applicable, must be followed explicitly to maintain your warranty coverage.**

## Body Repair Information

Due to the materials and assembly procedures used in the production of smart vehicles, it is strongly recommended that any paint work/body repairs be performed using Genuine smart parts by repair facilities which have been certified by DVIUSA as having the tools, equipment and training necessary to perform such repairs. DVIUSA has certified a network of body repair facilities which are qualified to perform both cosmetic and structural repairs to your vehicle.

While the vehicle owner may elect to have repairs (collision damage/paint repair work) performed by any automobile body repair establishment or individual, damage or malfunction caused by body repairs not performed in accordance with smart specified repair procedures are not covered by the smart New Vehicle Limited Warranty.

Should your vehicle need paint work/body repair or if you have any questions please contact your authorized smart Center or call 1-800-762-7887.

## Customer Repair Orders

Your servicing authorized smart Center will give you a copy of the Repair Order on all warranty repairs performed. Please keep this copy with your vehicle records.

Laws in many states and federal law permit owners and/or lessees to obtain a replacement vehicle or a refund of the purchase or lease price under certain circumstances. The provisions of these laws vary from state to state and vary from the federal law. To the extent allowed or not prohibited by applicable law, Daimler Vehicle Innovations USA LLC requires that you first provide us with direct written notification of any alleged unrepaired defect or malfunction, or any other dissatisfaction you have experienced with your vehicle so that we have the opportunity to cure the problem or dissatisfaction ourselves. Giving DVIUSA itself this direct notice and opportunity to cure enables us to supplement prior efforts by our authorized smart Center so any ongoing problem can be resolved or the dissatisfaction addressed by us. In states that have not enacted Lemon Laws, we also require, without constituting any liability beyond the smart new vehicle warranty, that you give us direct written notice of any service difficulty you have experienced. Written notifications, either required under an applicable Lemon Law or other written notifications should be sent to us, not one of our authorized smart Center, at Daimler Vehicle Innovations USA LLC, Customer Assistance Center, One Mercedes Drive, Montvale, New Jersey, 07645-0350.
