Genuine Accessories
FOR PRE-OWNED VEHICLES MY08-11

Make it *yours*.
Mercedes-Benz through and through.

When you drive a Mercedes-Benz, you do so for the best of reasons. Why should your choice of accessories be governed by different standards? Pioneering when it comes to design and technology, Genuine Mercedes-Benz Accessories deliver on the promises of a major brand.

I. Design & Development

Genuine Mercedes-Benz Accessories make your dream car a reality – while ensuring that it remains a Mercedes-Benz through and through:

- Individualization options are developed in accordance with the Mercedes-Benz car design philosophy.
- The use of CAD data from Mercedes-Benz Vehicle Development ensures precision-fit accessories.

II. Quality & Safety

When it comes to Mercedes-Benz vehicles, quality and safety are paramount. You can feel equally safe with Genuine Mercedes-Benz Accessories as a result of:

- Stringent safety measures and extensive load testing, including the use of crash test facilities and the wind tunnel.
- Harmonized development of both vehicle and Genuine Mercedes-Benz Accessories.

III. Function & Operation

Genuine Mercedes-Benz Accessories form part of the vehicle concept from the outset. This results in impressive functional solutions:

- Fully integrated telematics products can be operated safely and conveniently using the multifunctional steering wheel.
- Roof-mounted carrier systems can be fitted quickly and without the use of additional tools.
- Instructions and manuals are in standard format and easy to understand.

IV. Advice & Fitting

No one is as familiar with the ins and outs of your vehicle as our dealers. And the same goes for Genuine Mercedes-Benz Accessories:

- Contact your authorized Mercedes-Benz dealer for expert advice.
- Trust Mercedes-Benz specialists when it comes to fitting Genuine Mercedes-Benz Accessories.
Make it *your* M-Class with...

Genuine Mercedes-Benz Accessories

**BOLD. DYNAMIC. CONFIDENT.**

Make it *yours.*

Make it your SL-Class

* Please see last page for important/additional information.
1 Factory option.
2 Control of devices connected via AUX is limited to volume control.
4 iPod® and iPhone® are registered products of Apple Inc. iPod® Integration Kit also charges iPod®/iPhone® devices which support USB charging only (e.g. iPhone® 3G).
5 iPod® Integration Kit is compatible with the following iPod®/iPhone® devices (sold separately): iPod® Classic Generation 4, 5, 6; iPod® Nano Generation 1, 2, 3, 4, 5; iPod® Touch Generation 1 and 2; iPhone® Generation 1, 3G, 3GS, and iPhone® 4. The iPod® Integration Kit does not support telephone functionality of the iPhone®.
6 Nav + 4 not available on vehicles with factory-installed navigation system. Traffic information not available in all areas. Navigation system data includes the United States (excludes Alaska, Hawaii and Puerto Rico) and Canada. Maps do not cover all areas nor all routes within an area. iPod® and iPhone® are registered products of Apple Inc. All iPod® and iPhone® devices are sold separately. iPod® Integration Kit does not support telephone functionality of the iPhone®. Menu structures for some MP3 players may vary from the player to the vehicle display. Control of devices connected via AUX-IN port (non iPod®/USB) is limited to volume control. Audio streaming and mobile phone functions cannot be used simultaneously. Nav + 4 and audio device must first be paired before use. Required Bluetooth profile is not supported by all phones.
7 Navigation system data includes the United States, Canada, Puerto Rico, Hawaii and Virgin Islands. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system’s audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place. See your authorized Mercedes-Benz dealer for availability and details.
8 Available with COMAND only. Supported Memory Cards: SD, MMC, HS/MMC, DV-RS/MMC, C-Flash*, MiniSD* in RS-MMCA, MS, MS-PRO, HS-MS-PRO, HS-MS-PRO, MS-Select, MS-Duo, MS-MG*, MS-MS-Pro, MS-Pro Duo, MS-Rom*, X-Card. *Requires adapter (not included).
9 Capacity: 2GB | Read Speed: 12.5 MB/s | Write Speed: 5.5 MB/s
10 Accessory wheels are only for specified tire sizes and may require use of wheel bolts other than those originally supplied with your vehicle. Failure to use proper equipment could result in an accident or vehicle damage. See your authorized Mercedes-Benz dealer for details and installation. Not compatible with snow chains. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles.
11 Rear-Seat Entertainment System described in this publication is available exclusively on MY04 - MY11 E-Class, MY06 - MY11 R-Class, MY09 - MY11 C-Class, MY10 - MY11 GLK-Class, MY06 - MY11 S-Class and MY09-MY11 M-Class vehicles without factory pre-wiring. Not applicable on vehicles with factory-installed Rear Seat Entertainment System. For additional information about the Rear-Seat Entertainment System, speak with a dealer sales representative or consult the vehicle brochure for your Mercedes-Benz model. Mercedes-Benz recommends that children be supervised while using the system.
12 Requires factory option Media Interface (Code 518). Additional charges may apply to your existing phone contract for streaming web-based content. Currently only approved phones are capable of streaming Pandora® Internet radio via Bluetooth audio streaming. iPhone® 3G, 3GS, and 4G are offering further integrated functionality. For a list of compatible devices please visit your authorized Mercedes-Benz dealer. The read-out / answering functionality for text messages and email will be available with a future software version. Responding to text messages and emails can only be done via pre-defined messages and will be available for BlackBerry® phones. The iPod® / iPhone® video cable is not part of the scope of delivery and must be purchased separately. Video functionality is not supported by S-Class and CL-Class vehicles. Media Interface Plus supports the same iPod® / iPhone® as the iPod® Integration Kit (please refer to #5).
