# First Class Wheel and Tire Protection

## Drive with peace of mind.

You likely have a lot invested in what connects you to the road. That's all the more reason to protect your investment against unexpected hazards the road might throw your way. First Class Wheel and Tire Protection will cover the replacement of your tires and wheels if they are damaged by a covered road hazard — such as a pothole, nail, tree limb, or other debris. You may not be able to avoid every hazard you encounter on the road, but you can avoid the resulting expense.

## Unmatched coverage that won't leave you flat.

Your driving experience should be nothing less than first class. Whether you're paying cash, financing, or leasing a new or pre-owned Mercedes-Benz vehicle, our First Class Wheel and Tire Protection will ensure a smooth ride. This plan includes:

- Coverage for each automobile wheel, and the tire that is mounted on it, for damage due to a covered road hazard\*
- All costs related to the replacement of wheels and tires (including labor, mounting, balancing, valve stems, taxes)
- Coverage for the usable tread life of the tire\*\*
- Replacement of a wheel rim damaged due to the failure of a tire covered under your plan, if the tire fails to seal
- No limit to the number of claims

With so many benefits, First Class Wheel and Tire Protection makes your driving experience worry-free.
